

**WING : FIVE-IN-ONE**

Wing opens up a world of endless combinations. Use its rotating elements to transform your sofa into what you want at any time. Pure magic. For a cosy evening at the movies, it becomes a double sofa. And to relax it becomes an island. Overcome by that sleepy feeling? Then Wing becomes a bed. The mood you're in at the time defines its appearance. Wing is literally the great interior experience from the JORI collection.

HUGO DE RUITER : DESIGN WITH AN EYE FOR QUALITY

Design with an eye for quality. "I consider upholstered furniture to be like a third skin". Hugo de Ruiter (1959) is constantly searching for meaningful developments in his concepts. He frequently finds non-conformist solutions which contain distinctive functional features and a surprising design. He is inspired by nature, art, architecture and technology, but mostly, he is inspired by life itself. With more than 10 years experience in his design studio, and more than 20 years of experience as a designer he builds bridges towards new innovative and sustainable solutions.
