

**TIME-OUT LOUNGE : GET AWAY FROM IT ALL**

The Time-Out seduces with its soft and timeless design. It suits any interior, regardless of style or dimensions. Mind you, this isn't your ordinary lounge chair. The difference is in the details: for example, the elegant vertical infold running up the front of the armrests. This makes the Time-Out special in its simplicity while being top-class in comfort. Just as you'd expect from JORI.

CHRISTOPHE GIRAUD : AN ACCOMPLISHED DESIGNER

As French architect, he graduated from the famed "Ecole d'Architecture de Normandie". Giraud covered the full gamut of architectural pursuits with due success: from devising public and private buildings, across designing showrooms and boardrooms right up to conceiving packagings and utensils. Architecture he describes as "aiming for balance between space and matter, between form and function".
