

DAYDREAMER RECLINING CHAIR : ODE TO SNUGLING

With no humdrum straight and flat surfaces, the Daydreamer relaxer chair is both generous and just the place to snuggle down into. A refuge to seek out after a challenging day. And exactly the kind of comfort experience you'd expect from JORI. The compact dimensions, wavy base in a range of lacquer colours and the combi-upholstery in fabric and leather round off the story with the perfect ending.

Joachim Nees

After Joachim Nees (1967) completed his studies in industrial design at the University in Darmstadt he went to work as a furniture designer. In his work he attaches particular value to the quality and materials. Defender of the principle that 'form follows function', the future user is the central point in his creations, many of which have received major Design Awards.
