

**ICARUS LOUNGE : ICONIC BEAUTY**

Inspired by the Roman reclining bed, the shelllike shape embraces the whole body. This lounge chair is designed as pure sculpture, although its really a cosy cocoon. Essential design for a total comfort experience.

CHRISTOPHE GIRAUD : AN ACCOMPLISHED DESIGNER

As French architect, he graduated from the famed "Ecole d'Architecture de Normandie". Giraud covered the full gamut of architectural pursuits with due success: from devising public and private buildings, across designing showrooms and boardrooms right up to conceiving packagings and utensils. Architecture he describes as "aiming for balance between space and matter, between form and function".
