

**PACIFIC PURE : SURFING ON A WAVE OF COMFORT**

Pacific is a true JORI classic and the re-design has all the makings of a worthy successor. The comfortable, subtly sloping seating line has been retained. The same goes for the iconic foldable armrests that transform the sofa into a reclining chair or a two- of four-seater in the blink of an eye. New are the slender legs, the striking piping finish around the silhouette and a slightly rounder shape that refers even more clearly to the undulating waves of the ocean for which the original design was named.
